**BRANDING
CHAMPIONS**

Join us for an exclusive **Sneak Peek Reveal** at the BC Sports and Fitness Expo, where we're thrilled to unveil Branding Champions — a revolutionary platform designed to empower athletes to become their own brands. This surprise dual event happening midday during this Expo, will celebrate the release of early access to Branding Champions, offering attendees, exhibitors, sponsors, endorsers, and followers the chance to be among the first to explore and build their profiles before the Phase 1 public launch which isn't set to take place until January, 2026. Don't miss your chance to be one of the inaugural members of Branding Champions.

Our Mission: To help athletes connect, build, and grow their brands by fostering relationships with brands, businesses, and professionals in the sports, health, wellness, and fitness industries, all while learning how to grow their own fan base. This multifaceted approach not only empowers athletes to establish and enhance their personal brands but also equips them with the tools and knowledge needed to cultivate a dedicated and engaged fan following. Through strategic partnerships, mentorship opportunities, and our extensive comprehensive database full of educational resources, we aim to support athletes in maximizing their potential both personally and professionally, assisting in monetizing who they will become. Come be a part of revolutionizing the way athletes navigate the world of branding and fan engagement. Together, let's build a community where athletes thrive, brands flourish, and fans are inspired.

Pre-Register for your profile anytime between now and before the Sneak Peek Reveal on June 28, 2025 by visiting BrandingChampions.com and fill out our forms. The first 500 to do so, will receive a surprise gift upon your arrival at the Expo. Don't miss this opportunity to be at the forefront of the Branding Champions movement. Join us at the BC Sports and Fitness Expo for our Sneak Peek Reveal and take the first step towards building your brand legacy.

THE BENEFITS

The first inaugural BC Sports and Fitness Expo in Dallas serves a dual purpose: to host our Sneak Peek Reveal for Branding Champions and to physically demonstrate what our App – Branding Champions – can achieve virtually. This event represents a unique opportunity for sponsors and exhibitors to elevate their brand visibility and directly engage with a targeted demographic of athletes, enthusiasts, and fitness aficionados.

By participating, sponsors and exhibitors stand to gain:

-  **Exceptional Exposure:** Your brand will be prominently showcased throughout the event, maximizing visibility and reinforcing brand awareness among attendees.
-  **Direct Engagement:** The expo provides a platform for direct interaction with attendees, enabling sponsors and exhibitors to forge meaningful connections, cultivate relationships, and garner valuable feedback.
-  **ROI Optimization:** Our comprehensive marketing strategy ensures extensive exposure for sponsors and exhibitors, both during the event and through our digital channels, including social media, websites, radio, podcasts, billboards, and print media, enhancing return on investment.
-  **Lead Generation:** Access to a captive audience of athletes, fans, and fitness enthusiasts facilitates lead generation opportunities, enabling sponsors and exhibitors to expand their customer base and drive sales.
-  **Showcase Opportunities:** Exhibitors can present their latest products, services, and innovations, while sponsors can leverage various branding opportunities to amplify their presence and differentiate themselves in the market.
-  **Networking:** The expo serves as a hub for industry professionals, offering unparalleled networking opportunities to forge partnerships, collaborations, and alliances that can propel business growth.

Participating in the BC Sports and Fitness Expo goes beyond showcasing products or services; it's about leveraging a dynamic platform to elevate your brand, connect with your target audience, and unlock new opportunities for growth and success.

Furthermore, we are committed to future involvement with three upcoming events already confirmed: a private Phase 1 launch party for the Branding Champions App in DFW in January 2026, an invitation to Houston for a forthcoming expo in Spring 2026, and the 2nd Annual Expo scheduled back at Dallas Market Hall for June 2026. We eagerly anticipate your participation in this venture and our future endeavors alike.

A portion of all Proceeds will go to Benefit our Strategic Partnership 501(c)3 Charities.

GROWTH CULTURE

The Branding Champions Foundation (BCF), a soon to be established 501(c)3 charity, partners with Branding Champions to assist student athletes aged 13 through college, with comprehensive support services. From providing a range of free camps, 24/7 tutoring offered through our academic program, Growth Culture, LLC, group and 1-on-1 training, classes, clinics, resources, and even our scholarship earning initiatives. Our mission is to cultivate well-rounded individuals by addressing all aspects of their lives, empowering athletes to excel both on and off the field. Through our expertise in personal branding and career development, we aim to equip athletes with the skills necessary for success in sports and beyond, nurturing the future generation of leaders to monetize the champions they will become.

Houston Random Acts of Kindness' mission is to promote empathy and compassion! Encourage selfless concern for the welfare of others by promoting kindness and humanity through random acts of kindness and charity. The effort is to engage businesses, schools, churches, individuals and organizations to promote empathy and compassion through random acts of kindness. To deliver a message of hope by following the lead of those who have impacted change with far fewer resources. "In a sea of despair, in the face of adversity, and at the brink of hopelessness there are countless individuals that shed light through tunnels of darkness with the simplest acts of kindness.

Through the kindness of others positive change is created."
